

Courses

A degree or diploma is made up of units drawn from the list of courses below. All units and structures follow the University of London Programme Regulations which contain full details on the rules that govern the choice of any unit. For level 200 and 300 units in the UOL programmes, pre-requisites or co-requisites may be required.

Code	Course Name	Pre/Co-requisite	Assessment Method
AC1025	Principles of Accounting		MCQ 20% Examination 80%
AC2091	Financial Reporting	AC1025	MCQ 20% Examination 80%
AC2097	Management Accounting	AC1025	MCQ 20% Examination 80%
AC3059	Financial Management	AC1025 + (ST104A or ST1215)	Examination 100%
AC3093	Auditing and Assurance	AC1025	Examination 100%
AC3143	Valuation and Securities Analysis	FN1202 + AC1025	Examination 100%
AC3193	Accounting: Markets and Organisations	AC2091 + AC2097	Examination 100%
DV2162	Complex Emergencies and Humanitarian Responses		Examination 100%
EC1002	Introduction to Economics ■	ST104A + MT105A	MCQ 20% Examination 80%
EC2020	Elements of Econometrics	EC1002 + ST1215 + MT1186	Examination 100%
EC2065	Macroeconomics	EC1002 + (MT105A or MT1186)	Examination 100%
EC2066	Microeconomics	EC1002 + (MT105A or MT1186)	Examination 100%
EC2199	The World Economy from the Industrial Revolution to the Present		Examination 100%
EC3016	International Economics	EC2065 + (EC2066 or MN2028)	Examination 100%
EC3099	Industrial Economics	EC2066	Examination 100%
EC3115	Monetary Economics	EC2065	Examination 100%
FN1202	Introduction to Finance		MCQ 20% Examination 80%

FN2029	Financial Intermediation		Examination 100%
FN2191	Principles of Corporate Finance	EC1002 + (MT105A or MT1186)	MCQ 20% Examination 80%
FN2203	Principles of Asset Pricing	EC1002 + (MT105A or MT1186)	MCQ 20% Examination 80%
FN3142	Quantitative Finance	EC2020 + EC2066	Examination 100%
FN3204	Investments and Portfolio Management	FN2203	Examination 100%
IR1034	World History since 1945		Examination 100%
IR1198	International Relations: Theories, Concepts and Debates		Examination 100%
IR2209	International Political Theory	IR1198	Examination 100%
IR2213	International Organisations	IR1198	Examination 100%
IR2214	Foreign Policy Analysis	IR1198	Examination 100%
IR3140	Security in International Relations	IR1198	Examination 100%
IR3210	International Political Economy	EC1002 or IR1198	Examination 100%
IS1060	Introduction to Information Systems		Coursework 25% Examination 75%
IS1181	Digital Infrastructures for Business		Examination 100%
IS2182	Innovating Digital Systems and Services	IS1060 + IS1181	Coursework 40% Examination 60%
IS2184	Information Systems Management		Coursework 40% Examination 60%
IS3159	Research Project in Digital Innovation	IS2182 or IS2184	Project 100%
