Private Education Act

The Private Education Act was legislated in December 2009 to regulate the private education institutions (PEIs) in Singapore. The regulatory regime, as set-out under the Private Education Act and its subsidiary legislation, comprises the Enhanced Registration Framework and the EduTrust Certification Scheme, both administered by SkillsFuture Singapore (SSG).

Singapore Institute of Management Pte Ltd (SIM PL), in meeting the regulatory requirements under the Private Education Act, has put in place the following:

- Adoption of the Standard PEI-Student Contract template from SSG
- Allowing students a cooling-off period of 10 calendar days commencing from and including the acceptance date of the PEI-Student Contract
- Protection of students' fees under the Fee Protection Scheme
- Transparent refund, course transfer, leave of absence and withdrawal policies
- Commitment in maintaining the confidentiality of students' data
