WELCOME MESSAGE

Professor Jorg Bley

Provost

SIM Global Education

Welcome to SIM Global Education — your global campus, bringing together internationally recognised universities from Australia, Canada, the UK and the US.

At SIM GE, we empower our students to learn with confidence, thrive across different stages of life, and stay future-ready. In a vibrant, multicultural learning environment, you will gain both academic and technical knowledge, and essential soft skills such as effective communication, collaborative teamwork and adaptive resilience — skills that employers value in a rapidly changing world.

Your journey extends well beyond the classroom. You will be part of an active and engaging student life, supported by wellness and student care services that prioritise your physical, mental and emotional wellbeing. Our dedicated career services team works closely with you through career coaching, industry engagement and networking opportunities to help you translate learning into real-world success.

Join us on a journey of growth that is dynamic, supportive and transformative; one that prepares you not just for a career, but to make a difference in a world that never stands still.

SIM COMMUNITY

Jereld Lim

Graduate, Bachelor of Science (Honours) International Business

GSA Business Performance Manager (Vietnam), Saudi Airlines

Corporate Affairs Manager, JGL Worldwide

University of Birmingham, UK

"The exposure I gained through the Birmingham academics, and the electives that I have completed at the home campus in UK provided me with a global perspective. It gave me an edge that has proven invaluable in navigating the dynamic business landscape of this region." (2025)

"I chose to study with RMIT University at SIM because the curriculum was both engaging and relevant to real-world applications. I appreciated the flexibility to select modules that matched my interests and career goals. The focus on group projects rather than exams provided a more practical learning experience, allowing me to develop skills directly applicable to future work environments.

The programme has prepared me well for my career by equipping me with the ability to collaborate effectively with people from diverse backgrounds. The projects often mirrored real business challenges, which helped me build confidence and adaptability in tackling professional situations." (2025)

Bryan Gabriel Ng

Graduate, Bachelor of Business

Marketing Officer, Stellar

RMIT University, Australia

Chandramohan Amudha Karishma

Graduate, Bachelor of Science (Honours) in Computer Science (Machine Learning and Artificial Intelligence)

University of London, UK

"My time at SIM-UoL was truly transformative. The curriculum was rigorous yet practical, and the learning environment was incredibly supportive. Beyond academics, my involvement in student leadership and extracurricular activities gave me invaluable experiences that shaped my personal and professional growth." (2025)

"The UB programme gave me the academic "bread and butter" needed to launch my career. Every module contributed to a holistic, interdisciplinary education that equipped me with both theoretical knowledge and practical skills. My internships and student leadership experiences taught me to apply classroom theories to real-life situations, shaping my work in community programs and guiding my postgraduate ambitions" (2025)

Private Education Act

The Private Education Act was legislated in December 2009 to regulate the private education institutions (PEIs) in Singapore. The regulatory regime, as set-out under the Private Education Act and its subsidiary legislation, comprises the Enhanced Registration Framework and the EduTrust Certification Scheme, both administered by SkillsFuture Singapore (SSG).

Singapore Institute of Management Pte Ltd (SIM PL), in meeting the regulatory requirements under the Private Education Act, has put in place the following:

- Adoption of the Standard PEI-Student Contract template from SSG
- Allowing students a cooling-off period of 10 calendar days commencing from and including the acceptance date of the PEI-Student Contract
- Protection of students' fees under the Fee Protection Scheme
- Transparent refund, course transfer, leave of absence and withdrawal policies
- Commitment in maintaining the confidentiality of students' data
