teaching with an international focus

.

Networking opportunities through SIM-  
Birmingham's networking platforms

# ACCOUNTING AND FINANCE Programme

Gain a firm technical grounding in accounting and finance, and appreciate business issues within a global political, legal and social environment.

## Objectives

The Bachelor of Science (Honours) Accounting and Finance (Top-up) degree focuses on both theoretical and practical aspects of global accounting practices. This creates the potential for you to build a strong foundation in various relevant subject areas and allows you to embark with confidence on a career in business, professional practice or in the public sector.

## Modules

### Year 2

- Audit\*
- Corporate Finance
- Financial Reporting
- Business Law\*
- Management Accounting
- Taxation: Principles and Planning\*

### Year 3

- Advanced Corporate Finance
- Advanced Financial Accounting Practice and Theory
- Accounting and Finance Research Project

### Optional Module (choose 2)

- Business Analytics
- Advanced Management Accounting and Control
- Financial Statement Analysis
- Professional Development

\*Taught by local specialists

Note: Each taught module is 20 credits, whereas the Accounting and Finance Research Project is 40 credits.

The modules listed here and on the University's website may occasionally be subject to change to ensure consistency with the UK programme. In such a scenario, you will be informed of any changes.

## Duration & Intake

Duration	Intake
2 Years Full-time	September

## Mode of Delivery

Classroom learning comprising:

- Lectures
- Tutorials

## Admission Criteria

- Diploma in Accounting awarded by SIM; or
- Accounting related diplomas from local polytechnics;\* or
- Non-accounting related diplomas with successful completion of the SIM Preparatory Course in Accounting and Finance
- Successful completion of a recognised approved diploma, where the language of instruction was English

\*Please visit SIM GE website for a list of Accounting-related diplomas that may be eligible for advanced standing into the programme, and for full details on programme admission criteria, including English proficiency.

Applicants must obtain an average Grade B, and may be interviewed prior to acceptance into the programme.

Subject to the University's review, applicants with relevant business diplomas may not be required to take the SIM Preparatory Course in Accounting and Finance.

All other qualifications will be evaluated on a case-by-case basis.

Programme admission is based on merit and is subject to the final approval of the University. No exemptions will be granted.

## Assessment

- Assignments / Projects / Presentations
- Written Exams

Assessments may be subject to change by the University.

Students are required to have their own digital devices/laptop for the coursework.

## Professional Accreditation

- Institute of Singapore Chartered Accountants (ISCA) [isca.org.sg](http://isca.org.sg)
- The Institute of Chartered Accountants of Scotland [icas.com](http://icas.com)

Please visit their websites for the latest requirements.

Programme Fees

	Local Students	International Students
Total	S\$39,370.80	S\$43,818.00
Per 20 Credits	S\$3,280.90	S\$3,651.50
Per 40 Credits	S\$6,561.80	S\$7,303.00

Fees are inclusive of 9% GST and are payable in 4 instalments based on the number of module credits undertaken in a term. Fees are payable before term commencement and do not include textbooks. Please refer to SIM GE website for the latest fees.

Other Fees

Student Development Fee	S\$512.30
-------------------------	-----------

A one-time payment applicable to all students embarking on a full-time Diploma or Undergraduate programme at SIM. This fee goes towards activities that will help in students' personal growth and equip them with functional skills that enhance their employability.

International Student Induction Fee	S\$436.00
-------------------------------------	-----------

A one-time fee payable by new full-time international students. This fee covers pre-arrival and arrival support, including activities to enhance the international student learning experience.

All fees are inclusive of 9% GST. Please visit SIM GE website for more information.

Award

Upon successful completion of the programme requirements, students will be awarded Bachelor of Science (Honours) Accounting and Finance from the University of Birmingham.

Note: "Top-up" will not appear on degree certificate.

Career Prospects

Bridging the gap between study and work lives, Year 3 students can choose to engage and be assessed in real work experience through the optional Professional Development module. Birmingham graduates are forerunners in the industry with their versatility and abilities. They can go on to become **accountants, auditors, brokers, financial analysts, fund managers, investment researchers, tax specialists, traders** and more.

Preparatory Course in Accounting and Finance (if required)

Applicants with non-accounting diplomas or with suitable qualifications will be required to complete and pass a three-month Preparatory Course in Accounting and Finance. Subject to the University's review, applicants with relevant business diplomas may not be required to take this SIM Preparatory Course.

Please visit SIM GE website for full details on programme admission criteria including English Proficiency.

The preparatory course is developed and awarded by SIM, Singapore to ensure readiness for the UoB programme.

Duration & Intake

Duration	Intake
3 Months Full-time	Jun

Modules

- Business Finance
- Financial Accounting
- Management Accounting

Lessons will be delivered via blended learning and the modules are assessed either by written exams, coursework or a combination of both.

Certification

A certificate of completion will be awarded upon successfully passing the Preparatory Course in Accounting and Finance.

Programme Fees

S\$2,125.50

Fees are inclusive of 9% GST and are payable in full before course commencement. Fees do not include textbooks. Please refer to SIM GE website for the latest fees.

“The Birmingham Accounting and Finance degree will provide you with key skills and relevant knowledge needed to understand and work in today’s global business environment. I strongly encourage students to combine this quality education with social skills and confidence to provide an excellent foundation for compelling future careers.”

**Mr Steve Keepax**  
Director of BSc Accounting & Finance (Singapore)  
Birmingham Business School

# BUSINESS MANAGEMENT Programmes

Benefit from a culture of critical enquiry, debate and global business expertise by building knowledge and skills that will kick-start your graduate career.

## **BACHELOR OF SCIENCE (HONOURS)**

### **Business Management (Top-up)**

The programme equips you with the tools and knowledge to understand the changing world of business on a national and global scale. It is a broad-based programme which combines contemporary and relevant research with current business practices to give you a solid business-oriented base for your graduate career. Our graduates work across a broad range of business roles in Singapore and globally.

## **BACHELOR OF SCIENCE (HONOURS)**

### **Business Management with Communications (Top-up)**

The programme combines a broad-based business education with a strong marketing and communications theme. There will be a pre-final year placement to build a good balance between theoretical underpinning and the development of practical communication skills. Students will have all of the benefits of a solid business management degree with the fun of a creative twist.

## **BACHELOR OF SCIENCE (HONOURS)**

### **Business Management with Communications and Year in Industry (Top-up)\***

This programme responds to the need for technology-driven business relationship management, marketing communications and the high value employers place on both industry experience and professionalism. Students will build knowledge to understand Business, Marketing and Communications, and be equipped with a portfolio of demonstrable skills through an extended industry placement of 36 weeks.

## **BACHELOR OF SCIENCE (HONOURS)**

### **Business Management with Industrial Placement (Top-up)\***

The programme offers you the opportunity to gain in-depth knowledge of a range of business topics, combined with 24 weeks of industry placement in Singapore or overseas, building valuable skills for future employment. With an industry placement, students gain valuable work skills, giving them an edge in today's competitive graduate marketplace.

## **BACHELOR OF SCIENCE (HONOURS)**

### **International Business (Top-up)**

The programme imparts international experience and cultural awareness to students who aspire to a career in global management. In Year 2, students travel to the University of Birmingham and study on the UK campus. They study a variety of business modules not available in Singapore and will attend a team-building programme in the English Lake District. In Year 3, students will normally study at one of the University of Birmingham's exchange partners. Students select preferred choices for their second year study placement at the end of Year 2 in accordance with a list of international partner universities. Choices can be based on academic merit. Alternatively, students may choose to work in Year 3, but they will need to source their own overseas placement.

# Duration & Intake

Programme	Duration	Intake
Bachelor of Science (Honours) (Top-up) <ul style="list-style-type: none"><li>• Business Management</li><li>• Business Management with Communications</li><li>• Business Management with Industrial Placement</li><li>• International Business</li></ul>	2 Years Full-time	July
Bachelor of Science (Honours) Business Management with Communications and Year in Industry (Top-up)	2 Years and 4 Months Full-time	

\*Students from the Industrial Placement and the Year in Industry pathways will be coached on how to source their internship or placement to give them an edge in the future graduate job market. They will take a compulsory preparatory programme on personal and professional development including one-on-one career coaching conducted by Birmingham career professionals.

- Note:
- Students' learning on the industry placement will be assessed by the University.
  - International students studying programmes requiring a placement will need to complete industry placements outside Singapore.
  - For students on the International Business pathway, there will be additional costs to cover travel, accommodation and living expenses for international study or industry placement overseas.

## Mode of Delivery

- Classroom learning comprising:
- Lectures
  - Workshops (for selected modules)
  - One-on-One dissertation supervision in the final year

## Assessment

- Assignments / Projects
  - Written Exams
- Assessments may be subject to change by the University.
- Students are required to have their own digital devices/laptop for the coursework.

“The solid nature of our Business Management degree programmes enables students to excel in study and in the global graduate jobs market. Seeing this success is what drives Birmingham lecturers to deliver our best to you across all business programmes.

”

**Associate Professor Hazel Westwood**  
Director of International Education (Singapore)  
Birmingham Business School

## Career Prospects

University of Birmingham Graduates find graduate employment across all sectors of the economy, in areas as diverse as banking, retail management, financial services, motor manufacturing, management consultancy, pharmaceuticals, PR, marketing and communications consultancy, operations management and more.

## Award

Upon successful completion of the programme requirements, students will be awarded the following degree from the University of Birmingham:

- Bachelor of Science (Honours) Business Management;
- Bachelor of Science (Honours) Business Management with Communications;
- Bachelor of Science (Honours) Business Management with Communications and Year in Industry;
- Bachelor of Science (Honours) Business Management with Industrial Placement;
- Bachelor of Science (Honours) International Business

Note: "Top-up" will not appear on degree certificates.

## CMI Membership

CMI (the Chartered Management Institute) is the only chartered professional body in the UK dedicated to promoting the highest standards in management and leadership excellence. All final year SIM-Birmingham Business students will be eligible for CMI membership and have free access to its resources to support their studies.

## CMI Professional Accreditation

University of Birmingham students receive an additional CMI Level 5 Certificate in Management and Leadership upon graduation from any of our Business Management programmes. This qualification is a recognition of graduates' key skills and competencies as future effective managers. With one-year free CMI membership post graduation, graduates will be another step closer towards achieving the Chartered Manager status.

Find out more at: [managers.org.uk](https://managers.org.uk)

## Admission Criteria

- Diploma in Accounting / Banking and Finance / International Business / Management Studies awarded by SIM; or
- Business related diplomas from local polytechnics;\* or
- Non-business related diplomas with successful completion of the SIM Preparatory Course in Business
- Successful completion of a recognised approved diploma, where the language of instruction was English

\*Please visit SIM GE website for a list of Business diplomas that may be eligible for advanced standing into the programme, and for full details on programme admission criteria, including English proficiency.

Applicants must obtain an average Grade B, and may be interviewed prior to acceptance into the programme.

All other qualifications will be evaluated on a case-by-case basis.

Programme admission is based on merit and is subject to the final approval of the University. No exemptions will be granted.

# Programme Fees

Programme	Local Students	International Students
BSc (Hons) Business Management (Top-up)	S\$39,370.80 6 instalments	S\$43,818.00 6 instalments
BSc (Hons) Business Management with Communications (Top-up)	S\$45,649.20 6 instalments	S\$49,802.10 6 instalments

Choosing this degree programme was one of the best decisions I have made. I was grateful to become part of a close-knit community of classmates, and the curriculum, which blends theoretical knowledge and practical applications, shaped me into a confident, sociable and well-rounded individual who is ready to take on the world. (2024)

”

**Tsai Meng-Chu**

SIM GE Scholar (Academic Excellence and Leadership)

Graduate, BSc (Hons) Accounting and Finance

# APPLICATION & ADMISSION

1

Visit [www.sim.edu.sg/degrees-diplomas/admissions](http://www.sim.edu.sg/degrees-diplomas/admissions) for the application process and list of required supporting documents.

2

Prepare copies of supporting documents. Complete your application and payment of application fees.

3

Send in your OpenCerts file to [study@sim.edu.sg](mailto:study@sim.edu.sg) or bring your original documents to SIM Campus for verification.

4

Check your email for your application outcome.

## Application Fees

An application fee is payable for each application form that is submitted. This fee (inclusive of 9% GST) is non-refundable and non-transferable. The fee will be fully refunded only if the intake does not commence. Unpaid applications will not be processed.

Payment Mode: PayNow, MasterCard / Visa credit cards, eNets or Flywire

	Local Applicants	International Applicants
Total	S\$109.00	S\$545.00*

\* This does not include all fees related to Student's Pass application.

## Private Education Act

The Private Education Act was legislated in December 2009 to regulate the private education institutions (PEIs) in Singapore. The regulatory regime, as set-out under the Private Education Act and its subsidiary legislation, comprises the Enhanced Registration Framework and the EduTrust Certification Scheme, both administered by SkillsFuture Singapore (SSG).

Singapore Institute of Management Pte Ltd (SIM PL), in meeting the regulatory requirements under the Private Education Act, has put in place the following:

- Adoption of the Standard PEI-Student Contract template from SSG
- Allowing students a cooling-off period of 10 calendar days commencing from and including the acceptance date of the PEI-Student Contract
- Protection of students' fees under the Fee Protection Scheme
- Transparent refund, course transfer, leave of absence and withdrawal policies
- Commitment in maintaining the confidentiality of students' data

For more information on the above mentioned, visit [www.sim.edu.sg/degrees-diplomas/sim-global-education/edutrust](http://www.sim.edu.sg/degrees-diplomas/sim-global-education/edutrust).

Singapore Institute of Management Pte Ltd  
PEI Registration Number: 199607747H  
Period of Registration: 20 May 2022 – 19 May 2026
