

SELECTION KIT

RMIT-SIM BACHELOR OF GRAPHIC DESIGN (TOP-UP)

This Selection Kit requires you to complete the following components:
**two design statements, a folio of 2 or 3 project examples, and
a written folio statement.**

DESIGN STATEMENT 1

Describe how your interests and experience will contribute to the RMIT-SIM Graphic Design community. Interest and experience can include any employment, voluntary work, etc.

Maximum 200 words

You must not use any Artificial Intelligence (AI) tools to generate any written statement.

DESIGN STATEMENT 2

Describe an aspect of your local or broader community where design could have a positive impact and how you think this could be achieved.

Maximum 200 words

You must not use any Artificial Intelligence (AI) tools to generate any written statement.

FOLIO

Provide images of 2 or 3 projects (up to a maximum of four pages in total) that best demonstrate your creative passion, including both development and finished work.

If you have used Artificial Intelligence (AI) tools to generate **images** in your folio, please describe in the response box (below) where this occurs and what AI tools were used (maximum 100 words). If you have not used any AI tools, please state it in the response box.

Submission instructions:

- The maximum number of pages allowed is four.
- Film or sound based work: ensure that file types are common (maximum file size 4MB, maximum duration 4 minutes).
- Name the file 'lastname_firstname_BGD_folio'.pdf
- Upload your folio as a single PDF (maximum size 4MB) to the application portal under "Selection Kit".

OR

- Provide a URL to your folio if hosted online in the response box below (provide the username and password if applicable).

FOLIO STATEMENT

Provide a written statement about **one** of the 2 or 3 projects you submitted above. Your statement must include the following:

1. The motivation and aims behind the project.
2. How this project reflects your values and passions.

Maximum 200 words

You must not use any Artificial Intelligence (AI) tools to generate any written statement.

When complete, save your selection kit PDF and name the file 'lastname_firstname_BGD.pdf'
