4	BUSM2653	People Analytics			

Depending on your selection of majors and minors, there are possible overlaps of modules in some of the combinations. In such instances, students will select additional modules to fulfill the 288 credit point, per the Business Major and Compatibility table and notes on Index 16.

Electives
<ul style="list-style-type: none"> Any module listed above may be taken as an individual elective, subject to the completion of the pre-requisite requirements. An individual module can only be counted once, as part of a major; a minor; or as an elective. The availability of modules for enrolment in any particular semester is subject to resource constraints. Singapore Business internship module is available to local students as elective in their final year. Selection criteria, terms and conditions for the module will be shared prior to application opening period.

Business Major and Minor Combination and Compatibility

For students to check on the compatibility of your selected major and minor combination, the following table indicates the possible overlap of modules from the selected minor block against each major.

Alternatively, you can also make use of the major/minor compatibility guide via: <https://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/bachelor-degrees/bachelor-of-business-bp343#compguide>

1. Global Business Major / Human Resource Management Minor - BUSM4125 International Human Resources is a core module in the Human Resource Management minor and an option module in the Global Business major. Therefore, students who wish to complete a major in Global Business with a minor in Human Resource Management must complete the other 2 modules from the Global Business major options i.e. BAFI1005 Financial Markets and Institutions and BUSM4451 Entrepreneurship and Global Challenges.
2. Double-Major: Economics AND Finance Major - ECON1272 Basic Econometrics is a compulsory module in both majors. Therefore, student wishes to complete both the Economics AND Finance majors, they must select an additional module from either the Economics or Finance major core options to make up the 192 credits points for the double-major option.
3. Double Major: Global Business AND Finance (or Finance Minor) - BAFI1005 Financial Markets and Institutions is a core module in the Finance major and a major core option in the Global Business major. Students who wish to complete a major in Global Business and Finance major (or Finance minor) should complete BUSM4125 International Human Resources Management and BUSM4451 Entrepreneurship and Global Challenges as their major core option in the Global Business major.
4. Double-Major: Global Business AND Management & Change - BUSM4697 Cross Cultural Management is a core module in the Global Business minor and an option module in the Management & Change major. Therefore, student wishes to complete a major in Management & Change and Global Business should complete ACCT1085 Professional Values, Ethics and Attitudes as their major core option in the Management & Change major.
5. Double Major: Business & Technology AND Marketing - MKTG1519 Marketing Analytics is a major core module in the Business & Technology major and a major core option module in the Marketing major. Therefore, student wishes to complete a double major in Business & Technology and Marketing, they must complete 2 optional major courses in the Marketing major, namely, MKTG1268 Services Marketing, MKTG1281 Applied Brand Management or MKTG1535 Artificial Intelligence in Marketing.
